

Cove Booster Club Dec.2, 2015

The December 2nd meeting was cancelled due to a game that night.

The basketball tournament Dec. 11-12 was a success. Friday night spaghetti feed sold out and the taco-in-a bag was also a success. Everything was donated for the food and was greatly appreciated. We also did well on concessions and the gate. Pie auction not so well.

Many thanks to all who donated time and food.
