

## Cove Booster Club Minutes May 6,2015

The meeting was called to order by Deb Hansen, Sec/Treas. as both President and V. President were absent. Minutes from the April meeting were read and approved. Motion was made by Nate and approved by Tammy. Four members were present with one guest.

**Treasurer Report:** A balance of \$1388.31 with a deposit of \$790 from Drive 4R School making a total of \$2178.31. Ideas were discussed as how we can get more participation.

### **Committee Reports:**

Apparel- JeanAnn was not present but it was decided that any changes to the order forms would be left up to her. Also the t-shirts given to Kindergarten Roundup was a great hit. Thanks, JeanAnn!

Scholarship: The committee for the scholarships are Nate, Kelly and JeanAnn. They will decide the winner.

### **Unfinished business:**

Someone needs to put the back on the banner. Perhaps the Janitor.

Deb will check about the money from the December tourney. We were supposed to receive the gate money.

Cherry Festival-Several money makers were discussed such as aprons, potholders, ear muffs, chocolate covered cherries and lemonade. Money from this will go toward a new score table. We will also have our membership drive at this time. Deb will send in the vendor application. Look into the run Mr. Sheehy used to do. 5K of 10K.

A search for a new corn popper is still in progress. Deb is looking into this and checking prices.

A plaque for Bob Gertner was discussed again to make him an honorary member of the Booster Club for his many years of attendance at the ball games.

There was continued discussion of having a Hi School student as a go between with school activities . and related school events. A scholarship would be offered.

### **New Business:**

Dues were discussed and it was decided to leave them as they are.

T-shirts for Casey and Kade for their outstanding help during the ball games.

A community breakfast at the Ascension School was discussed for Sept. as in the past to raise money for the depleted funds for the club.

A motion was made by Tammy and seconded by Kelly to give \$300 instead of the \$250 to the music Program.

Would Darcy start contacting other schools for a Xmas tourney as it was a big money maker for us.

**Elections:**

Elections were held with JeanAnn voting by telephone. They are as follows:

President: Deb Hansen

Vice President: Darcy Carreiro

Sec/Treas: Nate Conrad

Discussion of apparel for the upcoming year, since money is short could each member buy a t-shirt or sweatshirt to show at games so the purchasers would know what they were buying.

A suggestion was also made to list Booster Club members names on all programs at school functions.

There will be a meeting July 1<sup>st</sup> to finish details for the Cherry Festival.

Meeting adjourned.

Nate Conrad,  
Sec/Treas.

President
